

Learning Issues Board

Adapted from Shelagh Gallagher's Book Problem-Based Learning in Your Classroom

Hunches: *What seems to be going on here?*

What We Know	Learning Issues	Plan of Action
<i>What do we know about the situation?</i>	<i>What do we need to learn to understand the situation better? What questions will help us figure out whether these hunches are valid?</i>	<i>How can we get the answers to our questions? What techniques or tools will help us make sense of the information we've gathered?</i>
